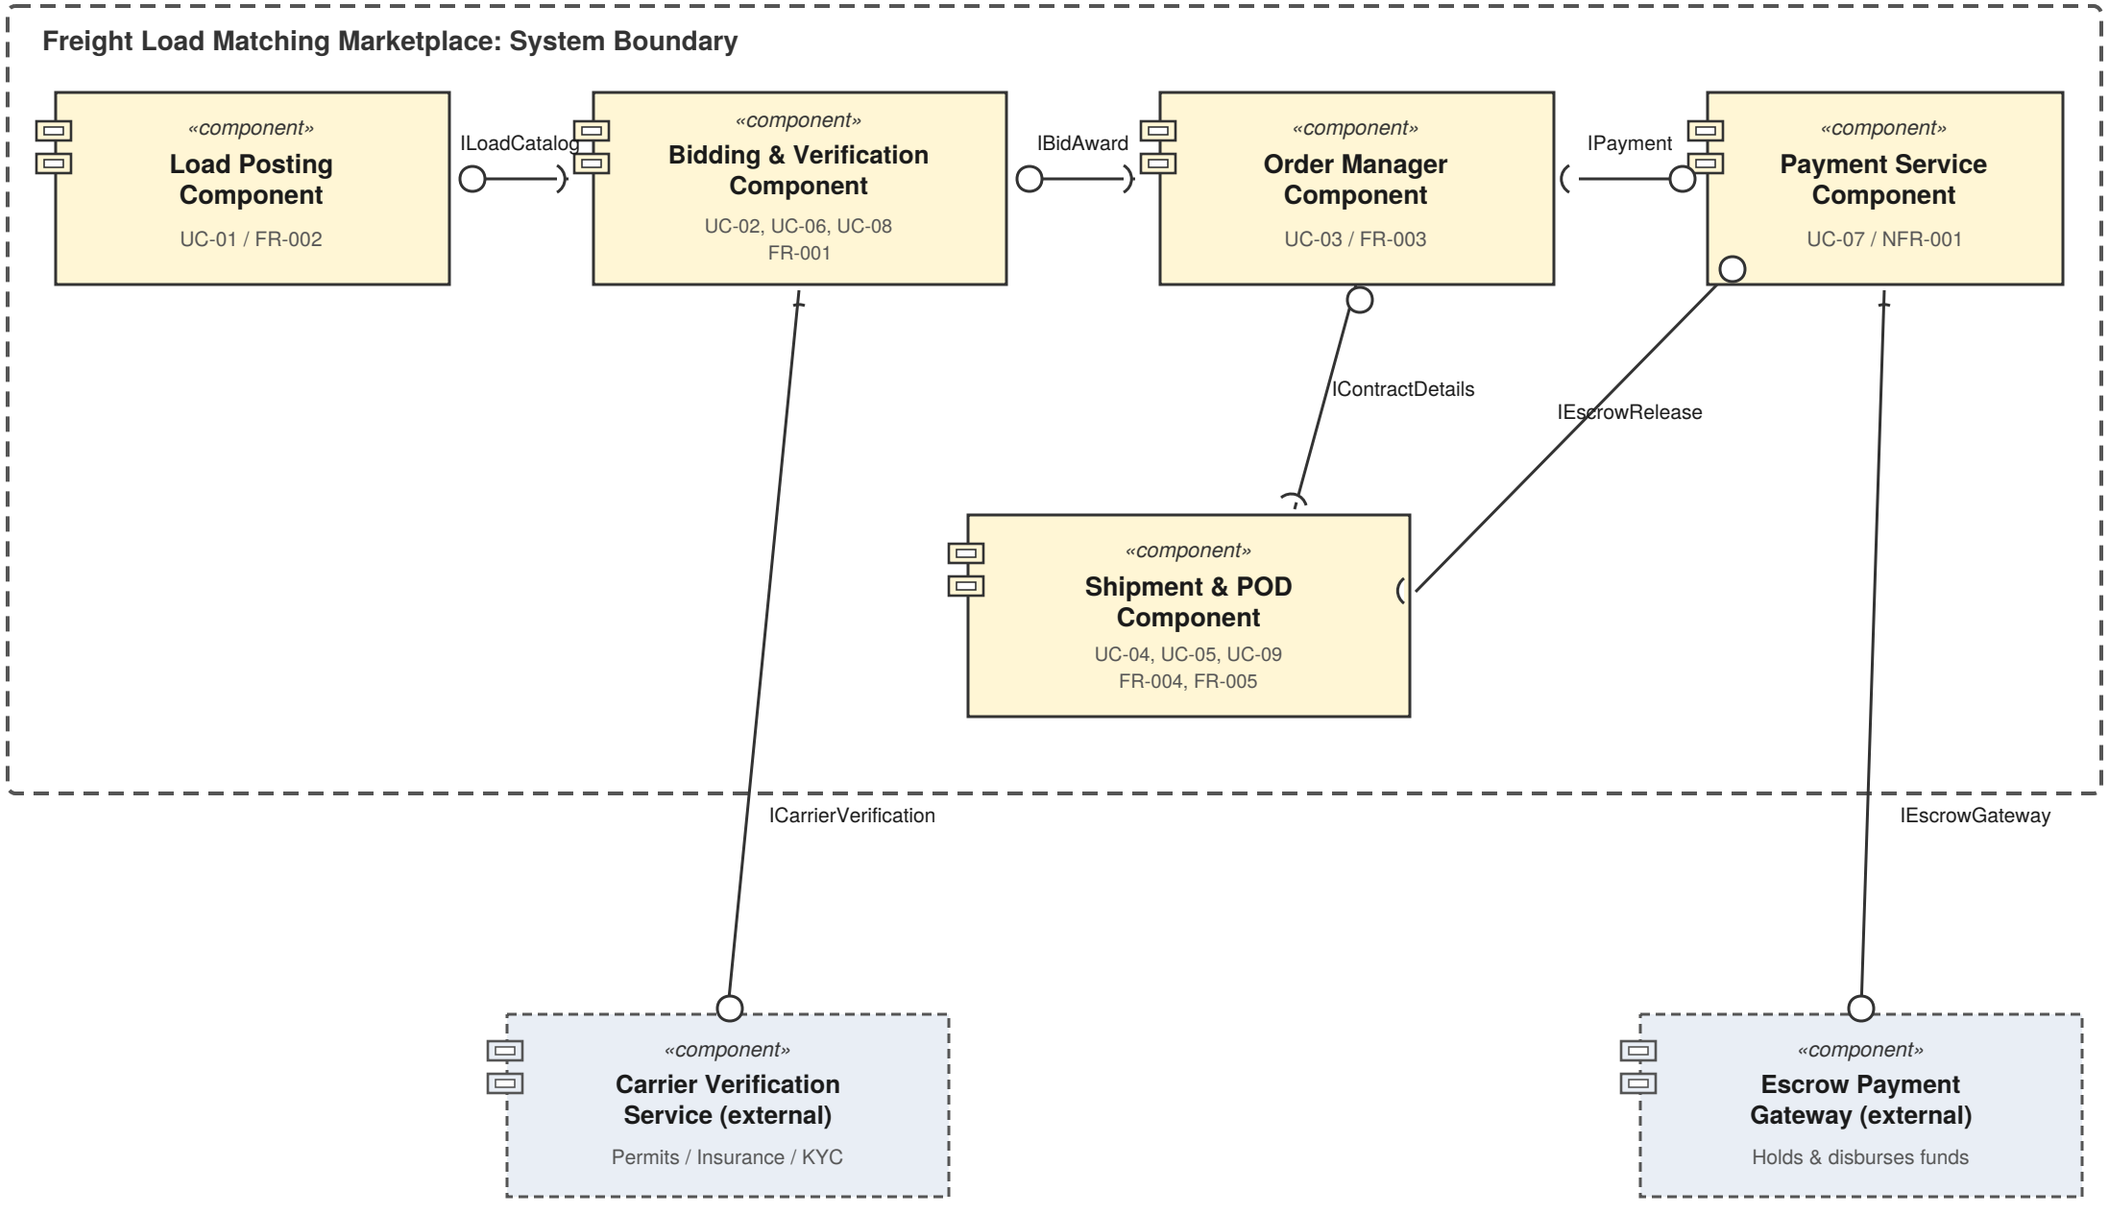
UML Component Diagram (Microservices Architecture), Problem Statement #28

DHRUVA MYAKERI | PES1UG24CS156



Legend

Provided Interface (ball) | Required Interface (socket) | Internal Component (within system boundary) | External Component (outside system boundary)

Bold interfaces trace to Lab 1 «include» relationships: UC-02 includes UC-06 (ICarrierVerification) and UC-05 includes UC-07 (IEscrowRelease).
